

Spira Care

*Personal care with no deductibles, no copays.**

SPIRA CARE is a combined care and insurance offering developed by Blue Cross and Blue Shield of Kansas City and designed by members from start to finish to provide comprehensive, integrated care with no deductibles, no copays* and no additional cost for any procedures you may receive at the Care Centers.

Fast Facts

- No copays*, no deductibles and no additional costs for procedures at the Care Centers
- Labs and X-rays** at the Care Centers included
- Access to a team of Care Guides
- Convenient Care Center locations around the KC metro

Lower Cost

Steady, personal, integrated primary care improves member health and lowers short- and long-term healthcare costs to employers and members.

Quality Care

Every member has a complete Care Team – including Care Guides – keeping care smart, intuitive and personal.

Simplified Experience

Healthcare can be complex. We simplify it by providing complete primary care and health-plan support all in one place and at no additional cost.
