SPIRA CARE™

Hospital Guide

Accessing care for the unexpected should be simple. We are here to help. Call your Spira Care Team at **913-29-SPIRA (77472)** if you aren't sure where to go. In case of a medical emergency, call 911 or go to the nearest Emergency Department. In case of a mental health emergency, call of text 988.

If you are not sure where to go for non-emergency care, first call Spira Care at 913-29-SPIRA (77472).

What is a provider network?

Your provider network is the group of providers and facilities you have access to as part of your health coverage and included in your Blue Cross and Blue Shield of Kansas City (Blue KC) health plan. **For a complete list of in-network hospitals and providers, sign into your member account at MyBlueKC.com.**
